- Work collaboratively with your manager and colleagues to support in achieving team targets and objectives.

You are

- Someone who is customer and solution focused, ideally with experience in customer environment but this isn't essential as full training will be provided.
- An excellent communicator who can enhance the customer experience and also work collaboratively with colleagues.
- Computer literate (Outlook, Word, Excel), with good attention to detail and high standards.
- A keen problem solver who has the ability to think outside the box
- Able to bring your personality to the role and be a positive representation of the Superdry brand and customer experience.

- A range of team and social events.
- Discounted gym membership, cycle to work scheme, wellbeing services and much, much more
