Superdry®Careers

Wholesale BI Analyst – Cheltenham

Superdry is a genuine British success story that has grown to an annual turnover of £872m, with our brand already worth £1.6bn in total global consumer sales. We are a multichannel operator with well-developed and highly successful retail, ecommerce, wholesale and franchise businesses and customers in virtually every country in the world. We are well on our way to achieving our goal of becoming a global digital brand.

The Role

The Sales Operations department helps to support, enable and drive front line sales teams to sell better, faster and more efficiently. Through strategically implemented software tools (Looker, EDI, CRM) and engagement techniques (GWP, Commercial fixture deals) enabling sales reps to focus more on selling in order to drive results.

We're looking for a BI Analyst to support the Wholesale department to continuously endeavour to meet if not exceed business expectations.

You will

- Develop a clear understanding of the data structure and integrated systems
- Develop an outstanding knowledge of the Looker BI tool and its application to the Wholesale channel
- Support Looker super users from local teams
- On-board and manage the transfer of data between Wholesale customers and interfacing into Looker
- Maintain and safeguard customer data integrity across all markets
- Mining and interpreting Wholesale data to accurately report and monitor key performance indicators across the Wholesale portfolio
- Pro-actively communicate and collaborate with internal and external customers internationally as required
- Assist with building business cases to support SuperGroup's ambitious growth plans
- Prepare executive reports and deliver presentations to business leaders
- Support the wholesale team through creating insightful & valuable ad hoc analysis where necessary
- Assist the business in data reconciliation exercises between the data warehouse and source systems
- Develop good SQL data skills and strong relationship with Looker team

You are

- Experienced working as a Business Analyst is preferred but not essential
- Someone with previous experience working with Business Intelligence tools
- Highly Analytical
- Experienced working in a team/collaborative environment
- Strong business understanding of commercial needs
- Structured, a logical thinker, with excellent problem solving skills and attention to detail
- A willingness and ability to pick things up quickly whilst working in a fast-paced environment
- Strong communication and relationship building skills to proactively engage at all levels in order to achieve deadlines
- Excellent organisational skills, attention to detail and follow through

Working for Superdry has never been so rewarding...

- Everyone receives a generous salary, pension contributions, life assurance
- 25 days holiday plus an extra day to celebrate your birthday
- Unrivalled range of Learning & Development programmes
- Eligibility to join our Share Save initiatives
- Amazing staff discount, 50% online and in store, plus an on-site staff shop and subsidised cafe
- A range of team and company-wide social events
- Discounted gym membership, cycle to work scheme, wellbeing services and much, much more
