## Photographer - Cheltenham

### The Role

Superdry is a genuine British success story that has grown to an annual turnover of £872m, with our brand already worth £1.6bn in total global consumer sales. We are a multichannel operator with well-developed and highly successful retail, ecommerce, wholesale and franchise businesses and customers in virtually every country in the world. We are well on our way to achieving our goal of becoming a global digital brand.

We are looking to recruit a talented Photographer to work with our creative team in the photography studio delivering high quality professional imagery for both print and online platforms. We are looking for an individual with fantastic technical skills and a passion to shoot fashion!

**Please include a link or copy of your portfolio when applying for this role.**

### You will

- Work as part of the photography team producing imagery for ecommerce, wholesale, marketing and other business requirements, in line with Superdry brand requirements
- Ensure all images produced are consistent and to a high quality whilst achieving deadlines
- Liaise with the Senior Photographer and other team members to test and refine photography techniques and to make informed decisions on image quality
- Build relationships with stakeholders across the creative teams including the Senior Photographer, Studio Coordinator, Senior Stylist and other colleagues on creative direction where required
- Work closely with the Styling and Retouch teams
- Pro-actively manage your own workload
- Keep up to date with photographic techniques relevant to your work
- Assist the Senior Photographer and the rest of the team in other tasks where necessary
- Work in other areas to learn new skills where required
- Predominantly shoot in a studio environment with some external location work on occasion

### You are

- Experienced working in a fast-paced photographic environment, preferably in relation to fashion
- Proficient at using photographic/lighting equipment
- Able to demonstrate proven experience of using Adobe Creative Suite
- A confident team player who is adaptable to change
- Proficient using Apple Mac equipment
- Confident at managing your own workload and always looking to develop your own skills
- Highly experienced in the photographic process and set-up
- Familiar with Capture One Pro software or have some awareness of it
- Aware of the photographic/retouch workflows and processes
