Social Media Executive– Cheltenham

Who we are...

Superdry have been making world class product for 15 years, and we're proud of it. Our mission is to inspire and engage the contemporary style obsessed consumer, whilst leaving a positive environmental legacy.

Together, we have built a brand that has cut through the global apparel market at record speed, taking market share from brands that have existed for decades. But we have a big opportunity ahead of us as we launch 4 new collections.

We are now on an exciting journey to reset our brand and return to our design-led roots and we are looking for talented people to join us on our journey.

The Role

The role will be responsible for the management and engagement of existing and new communities via Superdry's social media channels, helping to amplify and elevate the Superdry brand and its style collections.

The role will require managing, scheduling, boosting, optimising and analysing organic brand content through delivery of integrated, segmented calendars of content underpinning the cultures of the different style collections. You will also work closely with our performance marketing team to ensure that learnings and key insights are integrated across both brand and performance, while spotting opportunities to reach new audiences by keeping up to date on best practice and tactics for content and channel optimisation.

This is a great opportunity for a Social Media Marketing professional to support in the development, engagement and growth of Superdry's presence across Social Media. In this channel we should be relevant, we should stand out, we should be shared, we should be admired, we should be renowned – and this must be consistent right down to our community conversations and how/where we position the brand.

Reporting into the Channel Marketing Manager/s and working collaboratively with Brand Managers, Copywriters & Content Editor, PR, Brand Creative and the Brand Agency team, this role will contribute to the change and elevation in brand perceptions by managing the social consumer conversations and third-party relationships.

You will

- Support in the growth of Superdry's digital community in line with agreed measures and milestones, building a deep understanding of our audience(s), their interests and motivations to gain actionable insights to strengthen the connection to the brand.
- Amplify organic marketing communication strategies across social platforms, manage the execution of the content plan and calendar with appropriate and agreed success tracking measures in place.
- Manage the engagement with consumers through social media marketing channels as a means to reset brand perceptions, spark positive interactions for the brand to constantly improve consideration, and increase our followers on each channel.
- Inform and collaborate with teams to deliver an approach and platform focus/bias that is appropriate to the consumer grid, communication persona and culture of Superdry collections, as well as identifying any unique requirements associated with the desired audience.

- Challenge business as usual, seek out innovation, disrupt so we stand out and are 'talked' about, renown and admired for our approach to the channel.
- Collaborate with the Copy and Content Editor and Brand Managers to build the seasonal content calendar and ensure the segmented requirements of the style choices and platforms are met in time.
- Collaborate with Performance Marketing to ensure key insights and learnings are integrated across all social media campaigns.
- Be a source of knowledge for engagement activations, best practice, benchmarks, the current and potential audience, talent and influencer relationships, social data, trends, insights and future thinking.
- Contribute towards reporting (weekly/ad hoc) on the performance of social marketing programs, reviewing results by tactic to proactively recognise and optimise audience interactions, and inform on future content briefs.
- Advise on International partners content calendars for third party content, supporting and collaborating with the markets, driving social content and calendar alignment, monitoring quality of the assets and relationships.
- Monitor and inform upon the health and sentiment towards the brand on social platforms, manage the responses and dialogue with our consumers ensuring a brand enhancing relationship at all times.
- Support system administration such as permissions/branded content partners, content publishing, account management, analysis and other back-end tools.
- Start and finish everything with the consumer.

You are

- A social media enthusiast, you live and breathe this channel and are fanatical about its future.
- Passionate, energetic and identify with the Superdry consumer and their cultures.
- Experienced in businesses/brands of scale, but also those considered startup, independent or disruptive.
- From a branded background in fashion or sports (or other culturally relevant brand) possibly with agency experience managing brands in this channel.
- Experienced at successfully rolling out brand campaigns and plans internationally in varied business models
- Proven track record of prospecting growing and engaging the right social audiences and communities of brand advocates, you understand consumers and how to translate behaviors into insights and actions.
- Understanding and experience of the 'paid' aspects of social and digital and the commercial drivers of success.
- Experience of using Facebook Ads Manager, Twitter Advertising among other social advertising platforms to build, optimise and analyse.
- Understanding of the 'paid' aspects of social and digital and the commercial drivers of success.
- Good analytical skills including familiarity with web analytics tools and social media reporting tools, specific knowledge of Sprinklr would be useful.
- Aware and engaged on trends, developments and new thinking in social/digital media
- Competent with both hard and soft reporting metrics and aware of how to influence performance against both
- A natural relationship builder that seeks out the connections to be able to deliver
- Adventurous and willing to try new approaches, open to learn from failures.
- Agile, adaptable and resilient, able to switch between strategy and tactics.
- A team player who thrives in a collaborative environment.
