The Role

Superdry is a genuine British success story that has grown to an annual turnover of £872m, with our brand already worth £1.6bn in total global consumer sales. We are a multichannel operator with well-developed and highly successful retail, ecommerce, wholesale and franchise businesses and customers in virtually every country in the world. We are well on our way to achieving our goal of becoming a global digital brand.

Our IT Business Systems team provides application support and development for many of the core systems used throughout the business. We are constantly evaluating our applications, identifying key areas for change and development to suit business requirements. We work closely with others areas of the business, providing them with the technology required to grow and expand the business.

You will

- Provide system support to internal / external teams across a large and varied user base
- Liaise with key stakeholders to understand and address key issues and opportunities
- Work to understand and detail business process / requirements
- Coordinate third party suppliers to assist in issue resolution and change delivery
- Support quality assurance and testing of system changes and fixes
- Create and maintain system documentation
- Conduct and manage system administration and housekeeping processes

You are

- Keen to develop a career in IT and tech, with some relevant experience or education
- Highly IT literate and able to learn new systems quickly
- Self-motivated and keen to learn new technologies and skills
- Able to work in a fast-paced team environment
- Creative with an innovative mindset, capable of solving problems and providing solutions
- Flexible, self-motivated, proactive and results oriented
- Capable of putting both internal and external customers at the center of your considerations
- Able to become the bridge between business and systems
- Attentive to detail, well organised and a logical thinker
- A quick learner with the ability to adapt

Working for Superdry has never been so rewarding...

- Everyone receives a generous salary, pension contributions, life assurance
- 25 days holiday plus an extra day to celebrate your birthday
- Unrivalled range of Learning & Development programmes
- Eligibility to join our Share Save initiatives
- Amazing staff discount, 50% online and in store, plus an on-site staff shop and subsidised cafe
- A range of team and company-wide social events
- Discounted gym membership, cycle to work scheme, wellbeing services and much, much more
